Objective

Creative and detail-oriented Digital Creator with expertise in Photography, Videography, Video Editing and Post-Production. Proficient in Adobe Premiere Pro, CapCut, FCP seeking to apply my skills in producing innovative and engaging content that enhances brand visibility and drives audience engagement.

Experience

BABS AUTOMOTIVE - Kerala, India December 2024 - January 2026
Videographer & Editor

Produced high-quality automotive photography and videography for marketing campaigns, social media, and promotional materials.

- Planned and executed creative shoots for vehicles, including cinematic car videos, reels, and product showcases.
- Edited professional video and photo content using CapCut, Adobe Premiere Pro, and Final Cut Pro (FCP) to deliver engaging marketing visuals.
- Created short-form digital content optimized for platforms such as Instagram, TikTok, and YouTube.
- Managed the complete content production process from concept development and shooting to post-production editing.
- Collaborated with the marketing team to align visual content with brand identity and campaign objectives.
- Utilized lighting, camera equipment, and composition techniques to highlight vehicle design and features.
- Delivered high-impact promotional content to support brand awareness and sales campaigns.

Karadan Lands (Real Estate), Dubai, UAE July 2024 - December 2024
Creative Media Associate

Photography, Videography & Editing: Capture high-quality photographs and videos of residential, commercial, and luxury real estate properties, including interiors, exteriors, and amenities, in line with the company's branding and marketing strategy.

- Content Creation: Develop creative video concepts, including property showcases, walkthroughs, promotional videos, and social media content, tailored to different platforms and audience segments.
- Post-Production: Edit and enhance footage using Premiere Pro, FCP (final cut pro), and CapCut to deliver polished and professional final content, including motion graphics, transitions, and color grading.
- Property Virtual Tours: Create virtual tours or 360-degree videos of properties, enhancing online property listings and increasing engagement with prospective clients.
- Collaboration: Work closely with the marketing and sales teams to understand property features, target audiences, and key selling points in order to create content that resonates with potential buyers and investors.
- Content Optimization: Adapt content for various platforms (Instagram, Facebook, YouTube, LinkedIn, TikTok, website, etc.) ensuring it meets the requirements and engagement strategies specific to each.
- Brand Consistency: Ensure that all content adheres to the company's visual identity and maintains a high standard of quality and professionalism, in line with luxury real estate branding.
- Trend Awareness: Stay up-to-date with current digital content trends, specifically for the real estate industry, and incorporate innovative ideas to stand out in the competitive market.

Eventor Weddings- Kerala, India June 2021 - June 2024
Content Creation Specialist

Content Production (Photography & Videography): Capture high-quality images and videos at events and behind-the-scenes setups. Plan and execute shots—from static coverage to dynamic event storytelling.

- Post-Production & Editing: Edit and polish footage using CapCut, Adobe Premiere Pro, Final Cut Pro (FCP); apply color grading, audio mixing, transitions, overlays, etc. Create short-form content (Reels, Stories, promotional videos) optimized for social platforms.
- Social Media & Instagram Management:
Handle Instagram account—from creating Reels and posts to engaging with followers and analyzing performance. Manage content calendar, schedule posts, and ensure brand-aligned visual storytelling.

- Digital Content Integration: Managing Email and Website
- Asset Management & Workflow: Maintain organized digital libraries with metadata, version control, and styling consistency. Work collaboratively with marketing, event coordinators, and external stakeholders to align content with campaign objectives.
- Trend Awareness & Performance Tracking:
Stay updated with evolving content trends, algorithm shifts, and creative techniques to maximize engagement. Monitor content performance and derive insights to refine future content strategies.
